Frequently Asked Questions

What are the qualifications of the Pirate's Brigade staff?

The Pirate's Brigade staff is comprised of one manager, one supervisor, and three interns. The interns are college-aged students who are participating in Spectrum Resort's recreation internship program for the summer. These students are receiving credit for their internship in Commercial Recreation, Hospitality and Tourism, and other related fields. Students are CPR and Standard First Aid Certified. Spectrum Resorts also performs a thorough background check and drug screen.

What is the counselor to child ratio?

We staff a minimum of one counselor for every ten children.

What should my child bring to Pirate's Brigade?

- † Clothing & Shoes: Children should arrive dressed for activity. We recommend outdoor activity clothes and athletic shoes (no sandals or open toed shoes). Please survey what your child brings to the Pirate's Brigade in the morning to avoid losing items. Please label clothing, towels, and all personal items when possible.
- † Water Bottle: Please send your child with a bottle each day, labeled with your child's name.
- † Sunscreen: Many activities will take place outdoors. We recommend applying water-proof sunscreen on your child prior to arrival and sending spray-on sunscreen with your child to camp.
- † Swimming Gear: Please send your child with a swimsuit and towel.
- † Money/Items of Value: Please do not send items of value (cell phones, MP3 players, handheld gaming systems, etc.) with your child. Spectrum Resorts cannot be held responsible for lost or stolen items.

What happens if the weather is bad?

When weather is bad, we focus our activities indoors and have just as much fun!

What type of food is served at Pirate's Brigade?

Food for participants of our Pirate's Brigade program is supplied by our Village Market and Grill and includes a variety of kid-friendly choices such as but not limited to: Peanut Butter and Jelly Sandwich, Hamburger, Hot Dog, Chicken Fingers, Grilled Cheese and Pizza. If your child has food allergies or other medical issues, please let a staff member know so we can make arrangements for your child. The cost of food is included in the program price. Your child does not need to bring any money to purchase these items.

Do we have to register for Pirate's Brigade?

We ask that you sign your child up at least 24 hours in advance; however, we do allow last-minute registration as long as there is space available. We ask that you come 15 minutes early to drop your children off.

Where is the Pirate's Brigade located?

Pirate's Brigade is located inside the modular building on the Kid's Park Lawn. However, we do move around on property depending on the activities we have planned.

Are there any forms to fill out?

When you register your child on the very first day, you will be asked to complete a liability form, as well as a form that tell us about your child.
