## Antara Relief Massage

The Antara relief massage delivers soothing relief to the whole body and targeted attention to sore back, joints, hands, and feet with gently warming, tingling cayenne and arnica. The beginning of your massage you will have the option to maximize your experience with the CBD Vitality booster oral drops. This massage will include the CBD infused oil that will help with dehydration- includes coconut oil, and passionflower creating a gorgeous glow. Also Included in the massage is the CBD relief topical balm for triggered pain relief areas. The relief balm is a favorite, the scent is a blend of clove, cinnamon and ginger. Take your Zen experience to the next level so you can feel renewed and revived. **50 minutes / \$185**

## Antara Pain Relief Enhancement

Add this enhancement to any massage or facial treatment to relieve pain and unwanted stress. Antara relief balm is a warming relief for achy tired muscles. We encourage guests with arthritis to try this add on to really ease that dull pain in hands and feet. Including in the balm is Cayenne pepper and CBD, which work together with an immunity blend of cinnamon, clove and ginger essential oils so you can feel your very best. This treatment is a favorite add on, and not to mention it smells amazing. **\$50**

## Does the CBD oil/products contain THC and what is in our CBD products?

Our CBD line is 100% THC free. Our Zents body line has executed the perfect all organic Full Spectrum CBD line we call Antara. A plant medicine combined with flower essence organically grown in Colorado. Free of chemical solvents and watered with snowmelt from Colorado's highest peaks. Food-grade, Heat free extractions, setting the standard for the purest high potency Full Spectrum CBD.

## How can a CBD Massage or Enhancement help?

Many people are seeking alternatives for pain management. By tapping into how we function biologically on a deep level, CBD can provide relief for chronic pain and inflammation in joints and muscles. CBD increases blood flow throughout the affected areas that our bodies deal with on a daily basis. The CBD vitality oral drops are to help with calming our body and mind. The general wellness of the vitality oral drops are known to ease epilepsy, anxiety and other known conditions. We encourage our guests that are suffering with chronic pain to really seize this regimen.

## Do you sell any CBD infused products?

Yes, our body line Zents has a full line of Antara CBD infused products - Bath truffles, Body oil, Restore Balm, Relief Balm and Oral Vitality drops. Each product differs from how many milligrams of CBD is included. We encourage our guests to take advantage of our Full Spectrum line.
